Docket No. 98N-1265 4557 '99 MAY 20 AIO:23

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I should, as an American citizen,
have the right to decide what pharmacy
and what medications I want for myself.
The FDA has no right to decide for
me what I think best for my private
use.
